EMPLOYMENT HISTORY

2014 - PRESENT

MEDIAWORKS | SENIOR DIGITAL DESIGNER

Responsibilities include the design and creation of various premium interactive HTML5 ad units and page takeovers across desktop and mobile devices; and have experience in building and testing new HTML5 ad templates to be used by the other team members. In addition to HTML ads, I also create online video ads for various clients on 3Now and Radio. I have also worked on some web projects including website designs for The Bachelor NZ, Masterchef NZ and Paul Henry; and produced infographics and other imagery required by the digital content team. I also have experience in delegating projects between the digital creative team as well as give art direction to our junior designer.

2011 - 2014

MEDIAWORKS | WEBDESIGNER

Projects I have worked on include website designs for The X Factor NZ (including Facebook Voting app), The Block, 3 News, The Edge, The Rock and TV3 & FOUR On Demand websites. Some other brands and campaigns I have worked on include Paramount Pictures, Cadbury Dreams, Kapiti You Choose Movie, NZ Fashion Week, Elections NZ, Rugby World Cup. Also responsible for the design and creation of online premium page takeovers and ad units, as well as Facebook apps for MediaWorks clients.

2007 - 2011

DATUM CONNECT | WEBDESIGNER

Responsibilities include designing of logos and websites and developing designs to HTML & CSS. I am also responsible for designing print collaterals and marketing materials for Datum Connect.

2006 - 2007

JOI DESIGN | DESIGNER

Responsibilities include designing websites, logos, stationeries and brochures for clients; and also integrating flash on clients' sites.
